

Chipman Forest Avenue School 2024 - 2025
List of School Supplies for High School Students

- **Student Fee - \$35 each child**, Family Plan - \$70 total if 3 or more children of same family attend CFAS.
- Student fees should be paid by September 30th. Our preferred method of payment is School Cash online. <https://anglophonewest.schoolcashonline.com/>
- Student fees are used to provide each student with the use of a lock for the student locker and student handbook/agenda. Fees are also used for purchasing consumable items, such as art and technology supplies. They are often used to compensate special speakers for assemblies or to provide busing for field trips.

Personal Laptops are strongly encouraged as there is great demand for the laptops owned by the school for students in grades 6 – 12. EECD has a laptop subsidy program for qualifying students in grades 9- 12 that may assist with the cost depending on family income. See the attached document for more details. An email was sent to parents of students entering grade 9 that contains a unique code to enter when completing the online order. If you didn't receive the email, you can contact 1-833-901-1963 or visit
